LE SALON

WELLNESS EXPERTISE FOR YOU AND YOUR HAIR

Welcome to a hair salon that's surrounded by nature and offers panoramic views onto the hills of the Cap Lardier estate. Open all year round, you can come here for a haircut, hair treatment, beard trim or shave.

Le Salon is a partnership with Frédéric Birault – the Parisian hairstylist behind the «Cut by Fred» salon and brand – and it encapsulates his simple, natural vision of hairdressing: don't transform your hair; reveal its beauty!

When it comes to caring for your hair, Frédéric Birault uses products by John Masters Organics. This vegan brand harnesses the power of natural and organic ingredients to give the best results, while having the least possible impact on the environment.

The hair salon is equipped with Dyson Supersonic™ hairdryers, to style your hair gently, while protecting it from damage.

THE NAIL BAR

To care for and beautify your nails, Lily of the Valley chose to work with the French cruelty-free, vegan brand, Manucurist, whose polishes are made in France with 84% natural ingredients. Manucurist is the first brand to offer an eco-friendly, bio-sourced, semi-permanent nail polish that can be easily removed with nail polish remover: Green Flash.
