THE LILY OF THE VALLEY METHOD

The Lily of the Valley method is applied throughout the year, and based around three key pillars: weight loss cuisine, sport and treatments.

The Lily of the Valley nutritional gastronomy approach was developed with nutritionist Jacques Fricker. It enables guests to achieve their weight loss goals while still enjoying the pleasure of food. This approach is combined with targeted treatments that are tailored to individual needs by our expert therapists. Indoor and outdoor fitness sessions, with varying levels of intensity and held in an idyllic setting, complete our programs.

JACQUES FRICKER, NUTRITIONIST

The Lily of the Valley method was developed in collaboration with nutritionist Jacques Fricker. After working in research for ten years, Jacques Fricker is now a nutritionist based in Paris, where he develops his approach to nutritional support. This approach doesn't involve depriving yourself of the foods you enjoy, and as such it avoids frustration and ensures long-lasting results.

It is this nutritional philosophy that's applied by the Lily of the Valley Shape Club. The Shape Club supports guests who wish to lose weight during the «High Speed» first phase of the «TCV» method, which focuses on losing weight quickly through meals that are rich in protein and low in calories.

PROGRAMS

WEIGHT LOSS

ACHIEVE YOUR IDEAL WEIGHT AND LOVE LOSING WEIGHT

This program rigorously applies the «TGV» method developed by nutritionist Jacques Fricker. By following a low-calorie diet consisting of healthy meals made with the finest ingredients, and accompanied by a glass of wine at dinner, you'll be able to lose weight safely and sustainably. Throughout the duration of your stay, you'll be monitored by our wellness advisors, therapists and coaches as you enjoy treatments designed to promote drainage, along with high-intensity fitness sessions.

SPORT

IMPROVE YOUR FITNESS PERFORMANCE

High-intensity fitness sessions and a protocol of treatments that support muscle recovery will enable you to achieve your goals and go beyond your limits in the very best conditions. You will also benefit from nutritional support focused on gaining muscle mass or losing fat while still allowing you to enjoy delicious, luxurious meals. The result is a comprehensive program that enables you to really push your limits.

This program can be combined with weight loss.

PROGRAMS

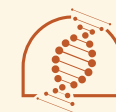

DETOX

PRIORITIZE SELF-CARE AND RETHINK YOUR LIFESTYLE

Take time for yourself and rethink your lifestyle. This program focuses on a light diet combined with yoga, gentle and outdoor exercise, and treatments that promote relaxation, to bring you a feeling of lightness and well-being. Ideal for an escape from daily life and to reset your body and mind.

Gluten- and lactose-free diet.

This program can be combined with weight loss.

BETTER AGING

OPTIMIZE YOUR LONGEVITY

Explore a new approach to longevity, with a program designed around innovative evaluation methods and body treatments with immediate and lasting results. Gentle exercise, a balanced diet, and targeted facial treatments will all be part of your stay. This program includes the use of Kinvent technology, so it can be personalized based on an analysis of your strength and general mobility.

EVALUATIONS
& CONSULTATIONS

EVALUATIONS & CONSULTATIONS

EVALUATE YOUR PHYSICAL CONDITION WITH THE HELP
OF THE VERY LATEST TECHNOLOGIES.

BIOIMPEDANCE ANALYSIS AND DIET & NUTRITION CONSULTATION

WEIGHT LOSS – STABILIZATION – SUPPORT

Bioimpedance analysis is an advanced tool that uses weak electrical currents to measure body composition. It provides a precise evaluation of fat and lean mass, muscle mass, and the distribution of water throughout the body. It is helpful in establishing personalized health and fitness plans, and can be used to calculate your "body age."

60 MIN | **€210**

PHYSICAL CONDITION EVALUATION

BALANCE – SUPPLENESS – STRENGTH

The physical condition evaluation is carried out using Kinvent technology – a tool used by physiotherapists – to measure your muscle strength, balance and suppleness.

30 MIN | **€90**

OSTEOPATHY

JOINTS – MUSCLES – PREVENTATIVE OR CURATIVE

An osteopathy session will help to improve your posture, and treat muscle, tendon or joint pain, by manipulating the body.

50 MIN | **€195**

GENERAL TERMS & CONDITIONS

GENERAL TERMS & CONDITIONS

ACCESS

Please note that you must be aged 16 or over to access the Shape Club. The fitness and relaxation areas (pool, fitness room, saunas, steam room) are only available to guests staying at Lily of the Valley, Shape Club members, and those who have access to the Shape Club for a day. Treatments are available to non-residents.

AESTHETIC AND MOM-TO-BE TREATMENTS

The treatments offered are designed to focus on relaxation and do not have any medical purpose. For safety reasons, we offer treatments that are suitable for women who are at least three months pregnant. We reserve the right to refuse a treatment to women in the first trimester of their pregnancy.

BOOKING

For all bookings, you will be asked to provide a credit card as security. In the case of cancellation or changes (as referred to in the paragraphs below), or in the case of damage, the amount due will be debited. You will be asked to pay the full price of your treatment when you book your appointment. You will also be asked to fill in a health questionnaire when you make your booking. Please answer all the questions as accurately as possible, and add the date and your signature. You are responsible for the accuracy of the information provided.

CANCELLATION

Should you cancel a program or treatment less than 24 hours before it begins, the full price will be charged to the credit card used to make the booking.

If you have a health problem that prevents you from taking part in the activities, you can request that your participation in the program be cancelled, on condition of providing a medical certificate. However, your accommodation cannot be cancelled or refunded.

CLOTHING

For your comfort, you will be provided with bath towels, a bathrobe and slippers. Swimwear must be worn in the Shape Club. Anyone who wishes to access the fitness rooms is required to wear clean sports clothes and shoes.

FITNESS & NUTRITION PROGRAMS

A Lily of the Valley program consists of a specific eating plan, treatments, and exercise sessions. The Shape Club is not a medical establishment; its teams will not provide medical advice or recommendations. We do ask that you ensure you are in sufficiently good health and physical condition to take part in the activities organized. It is also your responsibility to inform the teams should you have any dietary or health restrictions.

GIFT CARDS

Gift cards are available from the Shape Club reception. They are valid for one year from the date of purchase, and issued in the name of the beneficiary. Gift cards must be redeemed by the recipient and cannot be exchanged or refunded.

LATE ARRIVALS

Please make sure that you arrive 15 minutes before the start of your treatment, so you have time to fill in the treatment questionnaire, choose your massage oil, and get changed. Should you arrive late, the length of the treatment may be shortened in order to accommodate the appointments that follow.

LOST OR DAMAGED PERSONAL ITEMS

We accept no responsibility for lost or damaged personal items. If you are a guest at the hotel, we recommend that you keep any valuables in the safe in your room.

Alternatively, you can place them in one of the lockers in the changing rooms, which have code locks. The hotel management reserves the right to open lockers that are still shut at the end of the day, and remove any items inside. Lockers are not assigned to specific individuals.

PETS

Pets are not allowed into the Shape Club.

RESPONSIBILITY & INSURANCE

In the case of failure to follow the safety instructions provided to you, or inappropriate use of the fitness equipment and facilities made available to you, we cannot be held liable for any damage incurred. We advise you to take out your own insurance to cover any eventual damage caused to yourself or to a third party while taking part in the program's activities.

TERMINATION

If you do not comply with the rules and regulations of the Shape Club fitness room, we reserve the right to terminate your program. In such cases, the cost of the program will not be refunded.

WEIGHT LOSS

If you choose the weight loss option, please note that its success depends on rigorously following the diet plan suggested, but essentially on each individual's metabolism and state of health.
